

Title I Programs

Spartanburg District Four participates in the federally funded Title I program, an initiative of the Every Student Succeeds Act (ESSA). Title I funds provide programs that would not otherwise be available to our students. At Woodruff Primary, Title I provides the three-year-old intervention classes, reading intervention programs, and a parenting program. At Woodruff High, Title I provides the Freshman Problem Solving and Algebra Enrichment classes.

Spartanburg District Four is continually monitoring the implementation of our Title I Plan and Parent Involvement Policy and welcomes input from parents regarding the content and future plans. Any parent who would like to provide input into the Title I program should contact Ms. Karen Neal, Assistant Superintendent, at the District Office (864-476-3186 or kneal@spartanburg4.org). We encourage parent input into the revision of District Four's Parent Involvement Policy. Parents are also encouraged to communicate any suggestions and/or concerns to Mrs. Ann Hodge, principal at Woodruff Primary (864-476-3174 or ahodge@spartanburg4.org) and Dr. Aaron Fulmer, principal at Woodruff High (864-476-7045 or afulmer@spartanburg4.org). If parents must leave a message, they can expect to be contacted within two days.

The goal of supplemental programs and services provided through Title I is to increase student achievement. Since Title I funds have been utilized to provide supplemental instruction, Spartanburg District Four students have shown outstanding achievement. Most recently, these achievements were highlighted in the federal accountability ratings based upon student performance on standardized assessments. Over the past two years, Spartanburg District Four has held the highest federal rating among all districts in South Carolina.
